

## "Gentleman Start Your Engines"

### *CHAMP CAR RACING COMES TO THE UK*

*The web-site is a real must for anyone young or old, who wants to find out more about this exciting motor race series, that already takes in South America, Mexico, USA, Canada, Australia and Japan and is now set to take the UK and Europe by storm.*

([PRWEB](#)) August 14, 2001 -- CHAMP CAR RACING COMES TO THE UK

September 22nd see the inaugural UK round of the FedEx Champ Car World Series taking place at Rockingham Motor Speedway, Corby, England. To herald this new motor racing event, a web-site for both new and existing fans of motor racing has been launched to help to understand what the series is all about.

Find out who the personalities are in the series and about the speed machines they drive. All of this and much more can be found when you visit [www.champcarworldseries.co.uk](http://www.champcarworldseries.co.uk)

The web-site carries a vast library of both images and content to aid a visual feast of discovery, as the viewer discovers the world of the Champ Car, through the eyes of the drivers and racing teams taking part in this new and exhilarating motor race series. To compliment the web-site, there is a community comprising of a chat room and forum as well as a "FREE" newsletter.

There are a host of articles and features as well as up to date news and content from the world of CART (Championship Auto Racing Teams). Discover what it is like behind the wheel in "TRACK TALK" and marvel at how the racing teams prepare for the race ahead on various types of circuits from ovals to road and street courses.

Discover the difference between Formula 1 Racing and Champ Car Racing. Find out who the UK driver is who finished second in the Championship and is presently on a roll right now and why Johnny Herbert could soon be offered a seat in one of the Champ Car Racing Teams. Learn from behind the scenes of this open wheel-to-wheel racing series.

Visit [www.champcarworldseries.co.uk](http://www.champcarworldseries.co.uk) and find out what makes this the worlds greatest racing series.
