

## TRUCKSHARK ADDS REALTOR DIRECTORY

*List of commercial real estate agents specializing in trucking properties joins online trucking and logistics publication*

PALO ALTO, CALIF. ([PRWEB](#)) September 25, 2001 - TruckShark®, the online trucking and logistics publication, announced today that it has added a directory entitled "Truck Terminal Real Estate Brokers" to its website. The new resource is available free of charge on the Internet at <http://truckshark.com/truckterminalrealestatebrokers/index.htm>.

Commercial realtors that specialize in depots, distribution centers, fueling stations, hubs, transit facilities, truck terminals, truck stops, or warehouses can list their business in the directory by visiting <https://secure.cnchost.com/hotelshark.com/trucksharklist.htm>.

The new directory brings the total number of real estate categories in TruckShark to three. The others are "Distribution & Warehouse" and "Maintenance, Repair, & Fuel," both of which list specific properties for sale.

### About TruckShark

TruckShark®, the online trucking and logistics publication, provides truckers, fleet managers, and logistics executives with useful, no-nonsense industry information and opportunities. TruckShark is available free of charge on the Internet at <http://www.truckshark.com>. TruckShark is owned by Eureka Media, Inc., a privately held corporation based in Palo Alto, California.
