

Bullet Resistant Passenger Vehicles

Because of the recent event on September 11th, Armoring of America, LLC will move into a new 90,000 sq./ft. facility capable of armoring 100 vehicles per month for both civilian and military use.

([PRWEB](#)) September 30, 2001 -- As you well know, the number of attacks is increasing in the world today. It is critical that you obtain the protection necessary to guarantee your safety and that of your family. Armoring of America, L.L.C. specializes in Bullet Resistant Passenger Vehicles for Heads of State, Government Officials, High Profile Personalities, Sports Stars, Celebrities, Business Executives or any Individual experiencing a threat to personal or family safety.

- Defeats .44 Mag., AK-47 and up to 7.62 NATO
- Protects entire passenger compartment
- Virtually any vehicle can be armored
- World's lightest-weight armor
- Almost impossible to detect modification

Free email quotes on armoring your personal vehicle can be obtained from www.summa-ind.com/Quote.html

We will be happy to answer any questions or concerns that you may have by contacting us at 801-710-1215 or email summa@konnections.net
