MiataRacing.net has announced that its website www.miataracing.net has launched. MiataRacing.net provides information on racing the Miata sports car.

([PRWEB](#)) October 7, 2001 -- MiataRacing.net has announced that its website www.miataracing.net has launched. MiataRacing.net provides information on racing the Miata sports car. MiataRacing.net has information on local Miata clubs, local SCCA clubs, tips, pictures and a large amount of other information. MiataRacing.net has actually been online for five months and has been doing very well. MiataRacing.net is in the process of starting an online marketplace to offer companies that sell performance Miata parts a place to advertise and give customers a central place to come and shop.
