MiataRacing.net has announced that it has added AMSOIL to it's online marketplace.

([PRWEB](#)) October 11, 2001 -- MiataRacing.net is an online area where people can get information on racing. We provide information on how to get started, club listings and areas where people can submit pictures and suggestions. MiataRacing.net just recently started it's online marketplace to provide Miata owners with a place to find resellers of performance parts.
