

New England Tire Car Care Centers Announces Management Changes

New England Tire's owner Carl Kazen, Sr. is happy to announce recent changes in the management structure of the chain's five stores across Massachusetts and Rhode Island.

Warwick, Rhode Island ([PRWEB](#)) March 01, 2016 -- New England Tire's owner Carl Kazen, Sr. is happy to announce recent changes in the management structure of the chain's five stores across Massachusetts and Rhode Island.

Anthony Luiz, former Warwick Rhode Island Store Manager, has been promoted to District Manager in charge of retail stores. Anthony has been with New England Tire for 12 years and brings outstanding hands-on insight to the auto repair business coupled with a strong sense of the New England Tire culture that the retail team will find both exciting and rewarding.

The Mansfield, MA store, located at 515 South Main Street, is now managed by Mike Fontaine. Mr. Fontaine has returned from hiatus and is excited to be serving the Mansfield's store's regular customers again. With over 20 years in the field, Mr. Fontaine is an ASE-certified Master Technician and brings a great deal of experience and expertise to auto repair and mechanical services in the Mansfield area.

Bob Shoupp has been promoted to Service Manager at New England Tire's Northboro, MA location. Mr. Shoupp is a veteran of the auto repair industry, with over 20 years' experience under his belt. While he's only been with New England Tire for about three years, cutting his teeth at the Seekonk, MA store, Mr. Shoupp is enthusiastic about working in the Northboro area, helping motorists with their tire and auto repair needs.

Finally, Jason Heron will soon be leading the team at the Warwick, RI store after completing a store managers' training program. Heron is well-known in Warwick and is a family-focused, energetic member of the community. With over ten years in the field, Heron is definitely committed to the New England Tire culture and expects to be part of the New England Tire organization for many years to come.

Family-owned and operated for over three decades, New England Tire is a trusted resource for tires, oil changes, brake service, A/C repair, wheel alignments and many other aspects of auto repair and routine maintenance. With ASE-certified technicians and the latest in diagnostic repair tools, New England Tire is a perfect choice for auto repair that's done right the first time. In addition, New England Tire carries tires from brands like Goodyear, Dunlop, Kelly, Continental, Michelin and Pirelli, and is part of the national Goodyear Tire & Service Network. Owner Carl Kazen, Sr. invites all motorists in the Attleboro, Mansfield, Seekonk, Northborough, and Warwick areas to contact his stores via phone or e-mail – the company's management team is always available to address questions or concerns.

NewEnglandTire.com is powered by TCS Technologies. TCS Technologies, a Microsoft Certified Partner, develops and markets both off-the-shelf and custom tire software solutions, web applications, e-commerce platforms and support and consulting services to tire companies across the US and Canada. TCS has built a product base which continues to prove itself as a revenue-increasing, business-streamlining asset to any size tire business. TCS Technologies has tools unmatched in the industry, and customization within each of its products that can help cater to the way tire dealers and retailers do business. TCS' home office is located outside Nashville, TN in Cookeville, with a second location in Salt Lake City, UT. Visit TCS Technologies' website for more contact information at <http://tcstire.com>.
