

eStickers Adds Bumper Stickers to Growing Selection of High Quality Sticker Products

Australia's premier sticker printer makes it easy for customers to design and order bumper stickers online

Melbourne, Victoria ([PRWEB](#)) March 01, 2016 -- The team at eStickers has announced the official launch of their bumper sticker service, which makes it possible for customers to design and order a wide array of premium bumper stickers directly from the company's website.

eStickers is Australia's leading sticker printer, offering a wide range of high quality sticker printing services. Customers can design and order die cut stickers, window stickers, large vinyl stickers, and more directly from the website. Included with each eStickers service is free artwork, an array of selections designed to customize orders, and the eStickers low cost guarantee.

All stickers come with free unlimited colours, and all are weatherproof and UV resistant. In addition, all offer photographic quality, vivid printing.

The all-new bumper sticker service from eStickers features full-colour printing. All bumper stickers are UV resistant and waterproof, as well as being gloss vinyl, and each are rated for a 5 year lifespan. Customers can choose from a range of shapes and sizes that includes rectangles, squares, circles, and ovals. All customers can take advantage of free artwork and design, as well as the eStickers lowest price guarantee.

The minimum order for bumper stickers is 250, and production takes 1-2 days upon artwork approval. All bumper stickers are individually cut to ensure easy distribution.

eStickers is pleased to announce the launch of their bumper sticker service, which offers a seamless way for individuals and businesses to create bumper stickers for fundraising, marketing campaigns, and more. eStickers bumper stickers can be placed on vehicle windows, notebooks, walls, bags, and more to promote virtually any cause.

eStickers has been offering stickers and labels for 15 years, and the company is now known as "The Sticker Experts". They are pleased to offer fast turnarounds, knowledgeable customer care, and premium sticker services.
