

Apple Chevrolet of Tinley Park Works to Spread Goodness on Leap Day

On Leap Day, February 29th, Apple Chevrolet of Tinley Park, IL surprised several Chevrolet owners at local grocery stores by purchasing their groceries.

Chicago, IL ([PRWEB](#)) March 03, 2016 -- Based on General Motors' "Day if Forward" campaign, [Apple Chevrolet](#) of Tinley Park took matters into their own hands to make this leap year special for loyal Chevy drivers around the southwest Chicago suburbs.

John Alfirevich, Dealer Principal for Apple Chevrolet of Tinley Park, was all for "spreading goodness across the neighborhood and local communities." A true act of appreciation to Chevy drivers, Apple Chevy of Tinley Park based this act of kindness on the General Motors "Day it Forward" campaign, where Apple Chevrolet chose to pay for several randomly selected Chevrolet owners' grocery bills. During "Day it Forward", Apple Chevy of Tinley Park discovered the true devotion of Chevrolet drivers.

Terry P., a resident of Tinley Park, IL, was speechless when receiving this act of kindness. However, he had just the right words for his Chevy Equinox: "I love it," Terry said. He also went on to mention how much he liked General Motors' vehicles overall. Another happy Chevy driver, Jo Ann from Oak Forest, IL, had the perfect example of Chevy's quality in cars. Driving a 1999 Chevy, Jo Ann purchased her Chevy from Apple Chevrolet of Tinley Park and said, "it's holding up fantastic."
