

## **Xtreme Green Electric Vehicles to Officially Debut in Hannover, Germany**

*Electric Specialty Vehicle Manufacturer Joins Largest-Ever U.S. Business Delegation To Hannover Messe, April 25- 29, 2016*

Las Vegas, Nevada ([PRWEB](#)) April 21, 2016 -- Xtreme Green Electric Vehicles announced it has joined the largest-ever U.S. delegation to Hannover Messe, the world's foremost trade fair for industrial technology, taking place April 25-29, in Hannover, Germany. For the first time in the Fair's history, the United States will be the Partner Country, a status that provides the more than 390 businesses and organizations in the U.S. delegation an unprecedented opportunity to be prominently featured throughout the event. President Obama will also participate in this year's event, themed, "Integrated Industry-Discover Solutions."

[Xtreme Green Electric Vehicles](#) is a manufacturer of 100 percent electric specialty vehicles including, [ATVs \(all-terrain vehicles\)](#), [UTVs \(utility-terrain vehicles\)](#) and [PMVs \(police mobility vehicles\)](#). XGEV vehicles are designed with the latest technology and the most advanced energy management and electric propulsion systems. Each vehicle has the power and ability of vehicles with internal combustion engines, without the pollution, noise, heat or carbon footprint.

Xtreme Green Electric Vehicles is the first company in the world to manufacture a full line of zero-emission lithium ion iron phosphate battery powered vehicles.

"When I look at our electric vehicles, I am extremely proud of the achievements we have made, which has solidified XGEV as a brand defined by reliable, efficient and sustainable products," said Neil S. Roth, president and chief operations officer of Xtreme Green Electric Vehicles. "We are excited to be a part of the first-ever USA Partner Country presence at [Hannover Messe](#) and look forward to debuting our vehicles and making the most of this unique opportunity."

Xtreme Green Electric Vehicles will exhibit in the U.S. Mobilitec Pavilion, Hall 27-Stand G50, at the show.

Hannover Messe hosts more than 200,000 attendees from more than 70 countries, including global investors, buyers, distributors, resellers and government officials.
