

Nighthawk Disrupts the Industry with New All-Terrain Solid Tire

Nighthawk Releases New 12x16.5 and 10x16.5 Dura-Flex® Solid Tires with an Innovative All-Terrain Tread Pattern that is Designed for Maximum Performance on Hard and Mixed Surfaces

Houston, Texas ([PRWEB](#)) April 20, 2016 -- Nighthawk announced their new line of All-Terrain Dura-Flex® solid tires for skid steer loaders in 12x16.5 (33x12-18) and 10x16.5 (30x10-16) configurations. This newest addition to the Dura-Flex® line is guaranteed to be 100% flat proof and is designed with innovation in mind. Nighthawk Dura-Flex® solid tires have an aperture design that is engineered for heavy loads. Unlike pneumatic tires, Nighthawk Dura-Flex® solid tires provide a smooth, cushioned ride without the bounce associated with pneumatic tires, and also offer greater stability control, reducing operator fatigue. This new line of All-Terrain Dura-Flex® solid tires is built for maximum performance in all types of terrain and operating conditions.

Nighthawk's new line of All-Terrain Dura-Flex® solid tires for skid steer loaders is the ideal choice for any hard or semi-hard surface. The All-Terrain Dura-Flex® solid tires work especially well on gravel, concrete and other mixed or hard surfaces. The aggressive, all-terrain design of Nighthawk's new line of Dura-Flex® solid tires is unique to Nighthawk. "We're excited to introduce this aggressive tread, all-terrain solid tire in both 12x16.5 and 10x16.5 configurations" said Kareem Shaaban, Nighthawk's Vice President of Sales & Marketing. "This aggressive and innovative tread will perform well on any terrain, but is absolutely perfect for gravel, concrete and other mixed or hard surfaces."

Different from other Solid Tires

Nighthawk Dura-Flex® solid tires for skid steer loaders are tough and reliable. Nighthawk offers a full line of solid tires in a wide range of configurations that will fit almost any skid steer loader. Nighthawk Dura-Flex® solid tires are built for tough jobs that require even tougher tires, with the ultimate in design for traction and longevity.

The Nighthawk Advantage

Nighthawk recently announced its commitment to stand behind the customer with "the Nighthawk Advantage", which is Nighthawk's promise to always provide exceptional quality, the industry's leading warranty, and Nighthawk's "best value" guarantee. As part of the Nighthawk Advantage, Nighthawk pledged that it won't be beat on price. Nighthawk will beat any written quote for comparable products as part of Nighthawk's commitment to always provide the customer with the best value.
