

Powersports Support Launch's Their New Affiliate Program Offering Big Commissions

Powersports Support rolls out a new referral program paying out 25% of any dealers monthly subscription.

Santa Ana, CA ([PRWEB](#)) March 29, 2016 -- Powersports Support the nation's number one ecommerce software for powersports dealers announced the launch of their affiliate program today. This new sales channel will be open to anyone, including Sales Representatives from all the distributors and brands in the powersports industry. The PSS affiliate program will pay a monthly recurring commission of 25% off each new referrals monthly subscription. The price to join the PSS affiliate program is 100% free..

Powersports Support uses state of the are [affiliate tracking](#) software that allows affiliates to traffic sales in real time, ensuring affiliates get paid. There is no need to have your own business, DBA, or website to promote this program. All traffic is accepted including social media platforms like Twitter, Facebook, LinkedIn, Instagram, and Pinterest. PSS even pays commissions for conversions that happen over the phone with a PSS sales representative.

PSS has the highest paying affiliate program in the powersports industry, paying out 25% of the dealer's monthly subscription, every month. The average Powersports Support dealer pays a monthly subscription fee of \$1,026.00. PSS offers an unlimited time tracking cookie with pre made email templates that have clear calls to action.

Every affiliate receives their own online account with PSS to track commissions, traffic, and download content for turnkey banner and email marketing. When a user clicks on an affiliate's unique link, the user will be directed to a Powersports Support webpage that has a very informative sales video to help convert leads.
