

## **FreedomCar Turns 25 and Is Giving Out the Keys to Charm City**

*FreedomCar has launched a yearlong celebration of its customers and a few of the destinations that make Baltimore great.*

Baltimore, MD ([PRWEB](#)) April 25, 2016 -- [FreedomCar](#), Baltimore's most well-known car service, announced its "Keys to the City" celebration, which starts on April 25, 2016, and runs through March 2017, to mark its 25th year in business. As part of the Silver Anniversary event, FreedomCar will promote 12 cultural and educational destinations all around Baltimore by giving away memberships, subscriptions, special event tickets, and/or sundry goodies each month to the first five people who correctly answer trivia questions about those destinations. An email will go out on the 25th of each month (at 2:50 p.m.) featuring a new destination and a corresponding trivia question.

It's a fun way for FreedomCar to celebrate and give back to the city the company loves. FreedomCar has a long history of supporting the arts and institutions in Baltimore that help make the city, in the opinion of Mark Thistel, Co-founder of FreedomCar, "the secret center of the universe."

Mark went on to say, "We wanted to have some fun while we say thank you to our customers and to the city of Baltimore. So we chose a few local institutions that hold a special place in our hearts and decided to share them with our clients...it's our take on giving out the keys to Charm City."

FreedomCar is unlike any other transportation solution in Baltimore and, as it looks to the next 25 years, will continue to provide a unique option for people who are looking for consistency, quality and reliability — all backed by personal accountability, with owners on site and accessible to ensure a higher service standard.
