

RNR Tire Express & Custom Wheels Location Opens In Clearwater, Florida

RNR Opens New Location In Clearwater, Florida on April 30th, 2016.

([PRWEB](#)) May 20, 2016 -- Customers have always referred to RNR as “Rent-n-Roll” and if you are paying attention to the recent growth in the system – you would see that they have been on a literal and figurative “roll”. New franchise stores are opening throughout the Southeast and Midwest and the company stores are expanding throughout the West Coast of Florida.

“We are on a roll.” Said Larry Sutton, Founder and CEO of [RNR Tire Express & Custom Wheels](#). “Our franchise operators are opening new locations and our corporate stores are expanding into new markets as fast as we can find locations.” RNR Tire Express & Custom Wheels operates tires and wheels stores and has become notable in the tire industry by offering retail, lease-to-own and other payment options to those who want to own custom wheels and quality tires.

“The response has been terrific.” Said Vince Ficarrotta, VP For RNR. “The community has quickly embraced the idea of having options available to them when purchasing wheels or tires.

“The Clearwater market has been on our radar screen for quite a while and we finally found a central location that provided us the greatest opportunity to serve the most people.” Said Sutton. “The options that we provide to our customers for payments on new tires and wheels has been embraced by the 80 plus markets that we are currently serving and we expect Clearwater will be very similar.”

The newest store is located at 1315 South Missouri Avenue in Clearwater, Florida. Customers can reach the store directly at 727.469-7655 or email them at [Clearwater\(at\)rnrwheels\(dot\)com](mailto:Clearwater@rnrwheels.com).
