

## **Golf Car Manufacturer JH Global Services Awarded Fast 100 Asian American Business Winner**

*JH Global Services, which owns STAR Electric Vehicles and JH Golf Car Accessories, receives this achievement from USPAACC (US Pan-Asian American Chamber of Commerce).*

Greenville, South Carolina ([PRWEB](#)) May 26, 2016 -- On June 1 at the [2016 CelebrAsian conference](#) in Atlanta, JH Global CEO Jane Zhang and President Jun Hu will receive this award for the company's rapid growth in the last year. This achievement will be added to a list of prestigious honors such as Inc 5000, Top 25 Fastest Growing Companies in SC, Top Women-Run Businesses from Inc 5000, and Ernst & Young Regional Entrepreneur of the Year Award.

[STAR EV](#) in Simpsonville manufactures, assembles and distributes low-speed electric vehicles ranging from 2-passenger golf carts to 23-passenger electric buses. With such a broad scope, these vehicles cross several product segments including golf cars, Street Legal vehicles, off-road vehicles, people movers, and commercial vehicles. STAR is also a leader in the NEV/LSV market offering over 30 models that can be sold as street legal, making them drivable on most streets with a speed limit of 35 mph or less.

STAR EV is also a leading supplier to channels such as universities, airlines, resorts and parks due to their ability to customize vehicles to specific applications, along with a track record of durability. With more and more companies looking to reduce their carbon footprint, emissions, and transportation costs, electric buses especially fill a niche for moving large groups of people efficiently and comfortably.

[JH Golf Car Accessories](#) is the second brand within JH Global Services, Inc. JH Accessories offers a full line of golf car accessories for most models including Club Car, E-Z-Go, Yamaha, STAR EV and more. The brand includes a comprehensive line-up of the latest styles of wheels, tires, flip seats, brush guards, seat belts, steering wheels, stereos and more. JH Global also owns the patent for the exclusive 2-in-1 Combo Seat Kit line that turn a 2-passenger golf car into a 4-passenger in seconds.

JH Global Services sells their electric vehicles and accessories to a dealer network across America and extending abroad. Technical certification classes are offered multiple times a year to allow STAR EV dealers to earn the confidence of STAR drivers when it comes time for service or repair, and hundreds of STAR-certified technicians are available to service these EVs nationwide.
