

Lazydays RV Resort Earns 2016 TripAdvisor Certificate of Excellence

Highly Rated Tampa RV Resort Makes World's Largest RV Dealership a Top Florida Travel Destination for RVers

TAMPA, Fla. ([PRWEB](#)) June 02, 2016 -- [Lazydays](#), The RV Authority and world's largest RV dealership, is proud to announce that the Lazydays RV Resort has been awarded a [TripAdvisor](#)® Certificate of Excellence for the second consecutive year. The distinction honors hospitality businesses that have consistently earned high ratings and positive reviews on TripAdvisor over the past year. Certificate of Excellence awardees are located across the globe and represent accommodations, eateries and attractions that have continually delivered a high-quality customer experience.

“All of us at Lazydays are dedicated to providing exceptional customer service, and we are grateful that so many RVers have acknowledged those efforts by sharing their positive experiences on TripAdvisor,” said Linda Stephens, Vice President of Finance and Operations at Lazydays. “We are honored that the overwhelming majority of guests have rated our luxury RV campground as ‘excellent.’”

To determine its Certificate of Excellence honorees, TripAdvisor evaluates each business according to the quality, quantity and recency of reviews submitted on TripAdvisor.com over a 12-month period. To qualify, businesses must have been listed on TripAdvisor for at least 12 months and received a minimum number of reviews. They must also maintain an overall rating of at least four out of five, which indicates that the majority of guests have deemed the business “very good” to “excellent.”

“With the Certificate of Excellence, TripAdvisor honors hospitality businesses that have consistently received strong praise and ratings from travelers,” said Heather Leisman, Vice President of Industry Marketing at TripAdvisor. “This recognition helps travelers identify and book properties that regularly deliver great service. TripAdvisor is proud to play this integral role in helping travelers feel more confident in their booking decisions.”
