ORLANDO, FL ([PRWEB](#)) June 16, 2016 -- The shooting at Pulse nightclub in our hometown of Orlando last Sunday morning has deeply affected all of us at Advantage Rent A Car and E-Z Rent-A-Car (AEZ). We would like to extend our heartfelt condolences to all of the victims and their loved ones.

“Orlando is our headquarters and one of our flagship locations,” said Scott Davido, President of AEZ. “The events of this past weekend have hit home for us. We want to assist those affected by this tragedy, and help the greater Orlando community persevere during this incredibly trying time.”

Both AEZ brands are providing free rentals in Orlando to immediate family members and domestic partners of those killed or injured in this tragedy.

These complementary rentals are available for standard and full-sized cars. We are asking that family members and partners book these reservations by phone (407-775-4337) rather than Internet. Additional information can be found on our web page, [Advantage.com/OrlandoStrong](http://Advantage.com/OrlandoStrong).

Advantage and E-Z also are partnering with other local businesses to support the victims and their families by contributing to the OneOrlando Fund ([OneOrlandoFund.org](http://OneOrlandoFund.org)). In addition to the corporate donation, Advantage and E-Z are encouraging employees to give as well, and CEO Mehrdad Memarpouri has announced that the company will match staff donations to OneOrlando dollar for dollar.

“AEZ believes in inclusiveness and diversity,” Davido said, “and fully supports the LGBT community. All customers, business partners and members of the AEZ team are treated with respect, regardless of sexual orientation, race or ethnicity, and the Company does not discriminate in its hiring practices.”

“Orlando is our city, our home. We stand with Orlando.”
