

## **Highway Sales' Freedom Truck Lease Promotion Extended Through End of January**

*Highway Sales, Inc. has announced it is extending its FREEdom Lease promotion for professional CDL-A truck drivers through the end of January for drivers wanting to become owner operators and work with Dart Transit Company.*

St. Paul, Minnesota ([PRWEB](#)) January 05, 2015 -- Highway Sales, Inc. has announced it is extending its FREEdom Lease promotion for professional CDL-A truck drivers through the end of January for drivers wanting to become owner operators and work with Dart Transit Company.

The FREEdom Lease provides drivers with over \$6,000 in incentives when they lease a 2015 Freightliner through Highway Sales. It includes:

- FREE first month
- FREE tank of fuel
- FREE Sirius/XM Radio
- No money down
- And a \$3,000 sign-on bonus when you contract the truck with Dart

“The FREEdom lease is a great way for a professional truck driver to become an owner operator,” said Phil Marston, Vice President of Highway Sales. “By starting out with no up-front truck costs and no truck payment for the first month, drivers are able to put money in their pocket on day 1. That means a successful and profitable start to their trucking business.”

To qualify for the program, drivers must have a CDL-A, a minimum of 6 months driving experience, and meet Dart's contract requirements.

“With the up-front help and savings to owner operators,” Marston said, “this really is the best truck lease deal around. No other company provides owner operators with this much support. If you've been thinking about leasing a truck and becoming an owner operator, this is the perfect time to do it.”

To learn more about the FREEdom Lease, please call Dart's recruiting department (1-855-499-0833) or visit [Dart's website](#).

About Highway Sales & Dart

Highway Sales is a truck and finance company. Flexible terms make it easy for most professional truck drivers to qualify.

Founded in 1934, Dart is a dry van carrier with many operating choices for professional truck drivers. Dart offers Over-the-Road, Dedicated, Regional, and Short Haul options.
