

## **RAMP CHEVY SUPPORTS NATURE CONSERVANCY**

([PRWEB](#)) April 3, 2002 -- Ramp Chevrolet of Port Jefferson Station recently donated \$1,000 to the Suffolk County Nature Conservancy to help in their mission to preserve natural resources by protecting environmentally sensitive land and water around the world.

During the past year, Ramp offered a donation to the Nature Conservancy for every client that sought a fuel injector system checkup from their service department. "Giving back to the community is an important part of what we do at Ramp," stressed John Sonta, Retail Sales Manager at Ramp Chevrolet. "The program provided a two-fold benefit to the environment. Properly functioning fuel injection systems help cars to run more cleanly, and the donation helps to fund the wonderful preservation work of the Nature Conservancy."

Ramp Chevrolet of Port Jefferson Station is Long Island's #1 Chevrolet and New York's #1 General Motors Commercial Vehicle Dealer. Ramp carries GM's "Mark of Excellence" and is also Suffolk County's only AAA-endorsed Chevrolet dealer. For more information, log onto [www.rampchevy.com](http://www.rampchevy.com)
