SUPERCROSS KINGS™ CAPTURES THE MUD-SLINGING INTENSITY AND EXCITEMENT OF MOTO-CROSS RACING

Summitsoft's Portrayal of Wild, Two-Wheeled Sport is Right on Track!

OMAHA, NE - November 7, 2002 (PR Web) Sit back, get a grip, and let it rip as you plug into SuperCross Kings, Summitsoft's latest addition to its software entertainment line. Delivering full-throttle realism and white-knuckled excitement, SuperCross Kings is a testament to this cutting edge sport.

A glimpse at the features packed within this fast-paced action game includes a full range of tracks from around the world; time trials, championship, single and quick races; special power-up points for improved performance; death-defying tricks and pileups; Internet, LAN, and computer play; up to 18 course challengers; variable weather effects; and rookie to pro difficulty levels. Summitsoft's SuperCross Kings will satisfy players and racers alike with its unparalleled realism and explosive action.
