AW DIRECT, INC. TO PROMOTE RAMPSAMERICA IN CATALOG

February 28,2003

Washington DC RampsAmerica announced that AW Direct, Inc. would include RAMPSAMERICA'S products in their newest retail and on line catalogs. A W Direct of Berlin, Connecticut is America's leading supplier of service vehicle accessories. Jim Rivette, President of RampsAmerica said, "AW Direct has been a leader in its field for over twenty years and we are very excited to be a member of their outstanding product team". Patrick Thibadeau, President of A W Direct stated, "We are extremely pleased to offer our customers RampsAmerica unique aluminum ramp products. We believe these new products will give our current and new customers new ways to make their jobs safer and easier".

RampsAmerica offers high quality ramp products for the waste management, distribution, construction and the sport & antique vehicle transport industries. RampsAmerica is a strategic partner with Milestone Tarant,L.L.C, which fabricates the ramps at its state of the art fabrication facility in Capitol Heights, Maryland. RampsAmerica products are distributed through a countrywide network of authorized dealers and agents.
