

PreOwnedDeals.com Connects Used Car Buyers and Sellers Online

Used Car and Truck Search Engine provides 24 x 7 shopping for vehicles of all makes models and ages

([PRWEB](#)) March 14, 2003 -- When it comes to selling your used auto or truck PreOwnedDeals.com provides an effective and low cost alternative to print advertising.

Auto sellers can quickly and easily add their car, truck or SUV classified ad to the classified search engine at [preowneddeals.com](#).

The ease of use and simplicity of PreOwnedDeals.com reflects the fact that it was created by an Internet web design expert and former auto salesperson.

Scott Alliy the creator of PreOwnedDeals.com says that the site was created to help connect auto sellers and buyers connect. The concept of vehicle classified is not new says Mr Alliy.

What is different about PreOwnedDeals.com is that the service it provides allows buyers from around the country and the world to have instant access to vehicles of interest to them. This provides sellers an national even international audience that up until the internet and PreOwnedDeals came about was not available to them.

PreownedDeals.com is one of many Search engines created by Mr Alliy who owns over 268 websites. Other sites include [TimeshareChoices.com](#) [FindaSeminar.com](#) and [domainsavailablenow.com](#)

Mr Alliy quips Al Gore may have invented the Internet but I am taking over from there.
