Galves Auto Price List Inc. New and Updated Website

March 22, 2003 — Galves Auto Price List, Inc. Is pleased to announce that our new and updated website has been completed and is up and running. The new website is located at <http://www.galves.com>. Completely redesigned with an exciting new look, the site incorporates enhanced features, simplified navigation, and valuable resources for automobile dealers and non-dealers. In addition to our Galves Auto Price List values that are available on-line by subscription, the new site has many informative articles regarding the buying, selling, and trading of new and used automobiles. Galves.com has teamed up with New Car Test Drive.com to provide free in-depth car reviews through the site. Visitors can also subscribe to a free monthly newsletter featuring useful information regarding the used car market, and current market conditions. According to Galves Auto Price List Inc. Principal, Dan Galves, — the response to the new site has been terrific. Even in a sluggish market, we are seeing record numbers of visitors. —

Since 1957, car dealers have trusted and used our printed books, Galves Auto Price List, for reliable used car trade-in values. For three years, Galves.com has continued the tradition of delivering the most up to date and accurate trade-in values in the industry to its growing number of on-line subscribers.
