

VehicleWanted.com makes car buying easy!

VehicleWanted.com allows consumers to receive a free quote on a new car or truck within 24 hours of submission.

([PRWEB](#)) May 7, 2003 -- VehicleWanted.com today announced its official launch. The automotive website debuted in 4 different languages, with a clean, crisp layout which is easy to navigate.

The companies founder, Allan Mooney, says " Many potential car buyers visit websites that are confusing, full of information that misleads the buyer, and does not deliver a true car buying experience", he comments.

VehicleWanted.com does not allow pop up marketing ads, banners or any other distracting materials that take away from your visit. The website also has a detailed list of other services, including selling your used car FREE of charge, commercial vehicles for sale, auto insurance vendors, and more.

By filling out their FREE car quote form, you will receive a quote within 48 hours on the price of your new car and what location in the United States best suits your needs.

It is FREE, fast, and fun!
