

## **Car Games Â Canadian Edition Â New Quick-Reference Guide From Permacharts**

*Permacharts, Inc. is pleased to announce the release of our newest title in our children's line of quick-reference guides: Car Games (Canadian Edition). This chart continues our new line of general interest titles geared towards children. Permacharts help everyday people quickly understand the details of a given subject.*

Toronto ([PRWEB](#)) January 10, 2004 --Car Games (Canadian Edition) (ISBN: 1-55080-921-0). Retail: \$3.95 U.S. / \$5.35 CDN

Are we there yet? Kids bored before you leave the driveway? Then, we have a guide for you. This chart is loaded with 24 games that kids love to play. There's plenty of variety to keep your tots busy on short trips or cross-country treks. Includes: Alphabet Game, Auto Olympics, Automobile 21, Plates & States, Bordering Plates, Find All 50, Spelling Game, Motor Bingo, Crambo, Hit or Miss, Going on a Picnic, Odds and Evens, Counting Cows, Truck Search, Quiet as a Mouse, and more! Canadian addition is the same as the U.S. edition, but uses Canadian spelling of words and references, plus slight modifications to some games.

Permacharts is the World's largest publisher of laminated quick-reference guides and study aids (450+ titles, 46 million units sold). See the entire Permacharts product line at [www.permacharts.com](http://www.permacharts.com).

Each Permacharts title comes with a LIFETIME WARRANTY against peeling and delaminating under normal use.

The shortest distance between you and learning.TM
