

## **Attorney Jed Silverman Speaks at 14th Annual Top Gun DWI Seminar**

*Jed Silverman, founding attorney of The Law Offices of Jed Silverman, spoke at the 14th Annual Top Gun DWI Seminar, a yearly event sponsored by the Texas Criminal Defense Lawyers Association.*

([PRWEB](#)) September 21, 2016 -- On Friday, September 16, 2016, Jed Silverman of The Law Offices of Jed Silverman, spoke about cross-examining the blood lab analyst at the 14th Annual Top Gun DWI Seminar, a yearly event sponsored by the Texas Criminal Defense Lawyers Association. This year, the event welcomed guest Janine Arvizu, the forensic chemist from the Netflix® documentary “Making a Murderer.”

During this seminar, various speakers addressed the following topics:

- How to beat the new Intoxilyzer 9000 in trial
- Live cross-examinations of state blood and breath analysts
- Latest DWI case law
- Other tools and tips

Due to its reputation, Top Gun DWI seminars remains one of the most popular legal seminars sponsored by the Texas Criminal Defense Lawyers Association.

### About Jed Silverman

Over the last 17 years, [Jed Silverman](#) has handled over 2,000 criminal cases. He believes every arrestee, suspect, and defendant deserves honest information after they have been criminally charged or accused.
