San Francisco, CA ([PRWEB](#)) January 5, 2008 -- Aggressive DUI Lawyer, a network of southern California DUI lawyers, is offering services to the many drivers who were arrested for drunk driving over the holidays.

The new year is here, and as the celebrations come to an end, the California Highway Patrol is revealing just how many drunk driving arrests took place over the holidays. Bay Area law enforcement agencies have been some of the first to release their drunken driving arrest statistics. They recently stated that 2,736 people were arrested for driving under the influence of drugs or alcohol in the Bay Area between December 14 and 30.

Undoubtedly, many people in Southern California have found themselves in similar situations, as the statistics from New Year's Eve will reveal. Aggressive DUI Lawyer, a network of San Diego, Orange County and Los Angeles DUI lawyers, is offering their services to those arrested on DUI charges in Southern California. With an experienced DUI lawyer, Orange County, San Diego and Los Angeles residents will likely receive a more favorable outcome to their case.

More people are arrested during the month of December for drunk driving than any other month of the year, and many people in Southern California are currently awaiting trial. San Diego, Orange County and Los Angeles DUI lawyers can assist with these cases, using their expert knowledge to get results. As Bay Area law enforcement agencies have already shown, drunken driving arrests are an unpleasant but undeniable part of the holidays. With an experienced DUI lawyer, though, it's possible to start 2008 on the right foot and put those drunken driving charges in the past.
