

BoxCart Receives Angie's List Super Service Award for the Second Consecutive Year

Virginia moving company is awarded for superior service from online rating website, Angie's List

Sterling, VA ([PRWEB](#)) January 03, 2012 -- BoxCart, a Northern Virginia full-service [moving and portable storage company](#) received the Angie's List Super Service award for 2011. This is the second time that the moving company has earned the award, which is given to only 5% of businesses listed on the online rating website.

In order for a business to qualify, the company must meet a minimum number of customer ratings, and the majority of the ratings must be exemplary. Additionally, a company must abide by the Angie's List operational guidelines. Once a company receives the Super Service award, they can use the Super Service logo on their branding materials, and their business receives a Super Service designation on the Angie's List website.

"We're so pleased to once again be recognized for our hard work in earning the confidence and satisfaction of our customers through the prestigious Angie's List Super Service Award," says BoxCart Vice President, Amy Stowell.
