

## **Acura Of Huntington Long Island Grand Opening Going On Now**

*Acura of Huntington opened in late December and is the newest luxury car dealership on Long Island. The dealership is stocked with an incredible amount of inventory to serve the Long Island market.*

Huntington, New York ([PRWEB](#)) January 04, 2012 -- Acura of Huntington opened in late December and is the newest [Long Island Acura](#) luxury car dealership . The dealership is stocked with an incredible amount of inventory to serve the Long Island market. Located on Jericho Turnpike in the Huntington, just a short distance from the Walt Whitman Mall, Acura of Huntington is ready to serve all Acura owners in the area. There is no need for Acura owners in Huntington and the surrounding areas to travel to service their Acura's any longer. Visit the dealership to experience first hand a wide range of all of the popular Acura models ready for immediate delivery. General Manager, Frank Grecco, promises excellent deals on the entire luxury Acura line including RL, TL, TSX, ZDX, MDX, and RDX. The dealership is a full service facility ready to accommodate service requests and fill parts and accessories orders.

Acura is well known for precision technology, sporty design, reliability, and uncompromising comfort all with a fun-to-drive spirit engineered into each vehicle.

The new dealership has a team of friendly and professional salespeople and certified and experienced maintenance and repair experts and will be headed by Vice President Dina Burns, GM Frank Grecco, and Sales Managers Michael Anno and Anthony Muniz.

“Acura is a major force in the luxury car industry, and the more people learn about everything these precision vehicles have to offer the more they seem to love them. We're excited to be the team to finally bring a top-notch Acura dealership to Huntington and we anticipate fantastic sales growth with Acura's current product line up as well as the new product arriving in the coming years. We're confident we will be a positive force in the local economy. For our Grand Opening we are offering prospective clients great deals on all Acura vehicles and we invite current Acura owners to try out our state of the art service department. Our team is looking forward to meeting the Long Island Acura enthusiasts who have been waiting for our dealership to open.” – Dina Burns
