Lacho Ayala Motors backs their cars up with expert maintenance AUL certification, and complete Carfax reporting to give their valued customers the best deal possible.*

Houston, TX ([PRWEB](#)) January 02, 2013 -- As the year draws to a close, it's time to take account of your home and lifestyle, especially the safety and reliability of your automobile. That is why Lacho Ayala Motors of Houston, TX is proud to promote their high standards of pre-owned car certification before the automobile can even touch their lot. Lacho Ayala Motors has a commitment to provide Carfax protected and certified used cars and used trucks during the Holiday season, and year round.

Lacho Ayala understands that during the holiday season, the reliability of your automobiles should be expected. Each of the used cars sold on Lacho Ayala Motor's lot meets AUL certification standards, including a full vehicle history report and complete mechanical inspection to boot. A Carfax history report contains all of the information necessary to make a safe and price conscious decision on any used auto; including information such as:

- Accident information
- Number of previous owners
- Service records
- Last reported odometer readings
- Above retail value

Where unscrupulous car dealers are looking to poach an easy sale during Holiday sales drives, Lacho Ayala wants more for their customers. As a family owned and operated Independent Automobile Dealership, Lacho Ayala Motors has a commitment to their community because they are a part of the community that they sell to.

Lacho Ayala Motors supports every car driven off of their lot with a 3 month/ \$3000 warranty and some of the most talented maintenance and service mechanics in the state to keep automobiles as healthy and maintained as the moment they drove off the lot.

Why deal with the price sharks and false promises of profit centric car dealers who want to take advantage of you during the Holiday shopping season? Stop by Lacho Ayala Motors, or visit their website, to experience their BBB accredited customer service and Carfax supported pre-owned cars and trucks.
