

## **Ilovebodykits.com Now Offers More Saving on Carbon Fiber Hoods**

*This online store is now offering more discounts on body kits & carbon fiber hoods to car enthusiasts.*

La Puente, CA ([PRWEB](#)) January 02, 2013 -- The webmaster at ILoveBodyKits.com recently updated the website to showcase the newest [Seibon carbon fiber hoods](#) the company currently has in stock. With the new additions, this online store now offers more options than ever to help give one of the most popular car models a brand new look.

Since carbon fiber hood is one of the most popular modification currently on the market, there are a number of options for carbon fiber hoods. With the competition being so high, that means many of the prices are lower than normal. For under \$500, a person can have their choice of several full carbon fiber hoods on the website. Ilovebodykits is also offering free shipping for all Seibon & Vis carbon fiber hoods & trucks.

Customers can also shop for other upgrades, including lowering springs or [wheel spacers](#). By simply typing in the make and model of a car, all of the current options pop up for people to sift through.

To learn more about the newest Seibon carbon fiber hoods, or any other products, visit [http://www.ilovebodykits.com/category/102/Exterior\\_Hoods--Trunks\\_Hoods.html](http://www.ilovebodykits.com/category/102/Exterior_Hoods--Trunks_Hoods.html).
