

GLIDERS USA ANNOUNCES NEW LINE OF CUSTOM CHROME AUTO EMBLEMS!

GLIDERS USA is dedicated to developing innovative and unique sport related "3DChrome-finished raised plastic emblems.

([PRWEB](#)) October 31, 2003 -- November 4, 2003, Las Vegas, NV - Gliders USA is proud to present its new line of Custom Chrome Auto Emblems. These 3D, extreme sports-inspired emblems with their sleek design stick to any flat surface and are an ideal accent to any car. Let everyone know what gets your motor going. Surfing? Snowboarding? MotoCross? Or just hitting the long ball while golfing? With over 20 Custom Chrome Auto Emblems available now (and new designs on the way) there's sure to be one that fits you.

GlidersUSA is positive Custom Chrome Auto Emblems will be a hit. These quality made emblems are an affordable way to stylize any car and are sure to get you noticed. The self-adhesive emblems can stick to any flat surface on your car, boat, computer, or anywhere else you want. Find the emblem that identifies you and make it your mark.

Custom Chrome Auto Emblems are currently available at specialty shops and at our website: www.glidersusa.com. Be sure to check our site often as new designs become available.

About GlidersUSA:

GlidersUSA began in November of 2000 dedicated to the simple goal of capturing the California spirit and slapping it on a car. Based in San Diego, CA with an eye for innovative design and enthusiasm for extreme sports, GlidersUSA continues to develop its unique sports-inspired 3D-chromed plastic emblems that stick to any smooth surface. Starting off with the local surf shops and just 4 surf-styled designs, GlidersUSA quickly expanded in its first year to include distribution across the U.S., Japan, and Australia.

GlidersUSA has also designed products for Black Flies, Lost Enterprises, and Quicksilver/Roxy.
