

**KOOLGLO® enhances line with new addition: FURIOUS FLAMES®,
The Flamethrower
Ride the Light® in 2003 with the visual excitement of Furious Flames, the
simulated exhaust flamethrower**

New York, November, 2003: KOOLGLO® releases information on their latest automotive lighting innovation, FURIOUS FLAMES® (PATENTPENDING)

([PRWEB](#)) November 8, 2003 -- Our new accessory, easily installed with no moving parts gives your tailpipes the effect of flames.

At idle your tailpipe randomly pulsates light slowly and when the dash mounted control is pushed, your tailpipes emit rapid pulsating light giving a very real simulation of flames
