

LiveViewGPS to Showcase Realtime GPS Tracking Systems at National Safety Council Congress & Expo

Visit LiveViewGPS at Booth #3872, at the National Safety Council Congress and Expo in Anaheim, California.

Valencia, CA ([PRWEB](#)) October 06, 2016 -- LiveViewGPS, the GPS tracking experts for business, government, and individuals will be showcasing its exclusive Live GPS Vehicle Tracking Systems in Booth #3872 at the 2016 National Safety Council & Expo, October 17-19, 2016, in Anaheim, California. The National Safety Council is the nation's leading safety advocate whose mission is to save lives by preventing injuries and deaths at work, in homes and communities.

LiveViewGPS provides a variety of simple and easy to use advanced GPS vehicle tracking systems for businesses and consumers that enhance safety and security.

For Business user's LiveViewGPS provides owners, executives and safety managers with answers. LiveViewGPS trackers make available for real-time and live vehicle location updates, vehicle speeds, as well as instant alerting to bad driver behaviors. "We identify the unknown. Information and events that occur in the field, which a manager would normally never find out about," said George Karonis, CEO of LiveViewGPS. LiveViewGPS will reduce your company risks, and help you to take control of your business today.

For personal users, LiveViewGPS trackers will keep a vigilant watch over a new teen driver, or elderly family member. Providing loved ones, and family members with peace of mind. Stop by our booth to learn more about our products and services.
