

Cash for Cars Company Begins 2014 With New Sell My Car Fast Online Advertising Promotion

The nation's top cash for car service AutoState.net just released a new online marketing strategy. The online media blitz is geared towards car and truck owners that are looking to [sell a vehicle fast](#).

([PRWEB](#)) January 03, 2014 -- AutoState.net is well-known for delivering fast cash to those looking to sell a used car or truck. The company decided to start the New Year by promoting "sell my car fast". The "sell my car fast" slogan is being promoted across the web, showcasing the company's quick ability to buy a vehicle owners car or truck the same day, and sometimes within the hour. The company was started almost 3 years ago, connecting used car and truck owners with fast buyers. AutoState.net has a nationwide network of used car lots, salvage yards and automotive recycling companies that are looking to buy vehicles every day. The auto buyer is able to offer the best price for used cars and schedule a pick-up with the client whenever is most convenient for the vehicle owner. The company works 7 days a week and 12 hours a day, and buys any type of vehicle running or not. They even offer money for wrecked cars, and will also offer junk car removal for cash.
