

CarWashBiz.com teaches customers how to open a car wash business

Our customers are learning how to open successful car washes using our business plans. We have yet to have one of our customer's open a car wash and fail.

([PRWEB](#)) December 21, 2003 --The CarWashBiz.com Business Plan is a must for anyone who is looking to open a car wash, learn more about the industry, or buy & improve a pre-existing car wash. The CarWashBiz.com CD has just been updated for 2004 and is the result of countless interviews with successful car wash business owners and thorough research. We are offering you a 100% satisfaction guarantee on our product. If you are serious about starting your own car wash you have to purchase this product.

Our business plan is a step-by-step and comprehensive report that is easy to follow and will help you get started immediately. Over the past 10 years, the industry has more than doubled and has become an important part of many Americans daily lives. The CarWashBiz.com business start up CD is an in-depth guide that will help you open your very first car wash.
