

CSI Enterprises, Inc. Launches Fleet Fuel Card Web Site Redesign

CSI Enterprises, Inc., one of the nations leading fleet fuel credit card providers, today launched a new website redesign at www.csifleetfuelcard.com. For over 20 years CSI has been an innovator in payment solutions providing fleet credit cards, incentive cards, e-payables, and corporate payment cards to businesses across the US.

Bonita Springs, FL (Vocus) January 5, 2010 -- This simple and clean site design is part of CSI's mission to continuously meet customer's needs by providing easy navigation and organized content. "Our new website is more visibly appealing and helpful to businesses searching for a fleet fuel card", states Keith J Stone, CSI President.

The improved website contains the following new features:

- An enhanced navigation structure of content that allows customers to easily find fleet fuel card options.
- An updated video resources library that gives customers detailed information on the program and card options.
- An easy to follow online application form to start the application process.
- An overall updated and more attractive appearance .

CSI is excited to start the New Year with a new look. CSI's effort to stay current on technology and provide customers with the most up to date products and information is a top priority. "We realize our customers first experience with us is through our website and the need for a positive experience is important. We think the website redesign will achieve this objective," said Stone.
