

EmpireCLS Worldwide Chauffeured Services Drives the 2010 Awards Season in Style

EmpireCLS Worldwide Chauffeured Services has established an elite reputation for driving and escorting celebrity clientele during the Hollywood awards season, and this year will be no exception.

In addition to providing first-class chauffeured limousine services, EmpireCLS also stages hospitality tents for its clients at many of the awards shows. These tents are strategically positioned as sanctuaries amid the chaotic atmosphere of an awards show, providing a lounge area where clients can wait for their vehicles in calm and comfort as well as security. The hospitality tents also serve as convenient meeting places for event coordinators who need to keep track of their celebrity talent or require immediate access to EmpireCLS' onsite personnel. EmpireCLS also supplies a number of street-legal golf carts for each awards show to shuttle clients to and from venues, parking areas, and hospitality tents. These street-legal golf carts are on loan to the event's production staff as a professional courtesy and have been used to collect talent from gridlock traffic.
