

## **National Repossession Firm, USA RECOVERY SOLUTIONS/SKIP MASTERS, Report 2010 as a Breakthrough Year Within The Auto Finance and Collateral Recovery Industry**

*USA RECOVERY SOLUTIONS AND SKIP MASTERS gain national brand recognition with major auto finance lenders in 2010 and expands to an additional 13,000 square feet of office space in adjacent building.*

El Dorado Hills, CA ([PRWEB](#)) January 7, 2011 -- USA RECOVERY SOLUTIONS and SKIP MASTERS are expanding to an additional 13,000 square feet to meet the demands for Nationwide Recovery, Skip tracing and Transport Services.

Matt Davis, CEO of the M. Davis Company and founder of the “One Stop Shop” concept, inaugurated a multi building complex business plan for expanded infrastructure to include 40,000 Sq Ft in the form of a corporate campus. This campus will efficiently sustain projected long-term growth directives for many years. The recent addition of three major auto lenders to their client partnership base has advanced Phase II of this business plan. Matt Davis indicates: “The M. Davis Company, USA RECOVERY SOLUTIONS and SKIP MASTERS, are proud to have successfully advanced ahead of annual projections and are approximately 2 years ahead of my previous venture.”

The M. Davis Company, which operates three divisions (USA RECOVERY SOLUTIONS, a Nationwide Repossession Firm; SKIP MASTERS, a Nationwide Skip Locate Firm; and USA TRANSPORT SOLUTIONS, a Nationwide Transport Firm) is branding a name for Premier Collateral Recovery Services.

A Revolution for Resolution is being created through customized performance packages for individual clients. “With our third year anniversary right around the corner, we have proven our high performance is sustainable thus greatly enhancing our clients recovery efforts.”---Don Lopes, Director of Business Relations---

USA RECOVERY SOLUTIONS is gaining extraordinary recognition and establishing an industry presence through exceptional customer service, superior performance and immediate resolution of portfolios. “In my law enforcement and investigations career spanning over 20 years, I’ve never seen a team who apply more dedicated professionalism and integrity to their craft. It is truly a remarkable experience!”---John Fountaine, SKIP MASTERS, Manager---

USA RECOVERY SOLUTIONS and SKIP MASTERS created strategic partnerships with privileged access to several resources (including License Plate Recognition technology) which substantially enhance recovery results and helps to sustain maximum levels of recovery.

“While we enjoyed a very successful 2010, we look forward with enthusiasm to 2011. Our attention to detail and superior customer service along with our staff’s commitment “To be the Best” will continue to influence our growth in 2011”---Warren York, Vice President---
