

Executive Coach of Chicago Hands Out Driver Safety Awards for Accident-Free Drivers in 2010

2010 was another stellar year in terms of driver safety, with a majority of the charter bus operators for Executive Coach of Chicago finishing the year accident free. Considering that the streets and expressways of Downtown Chicago are among the busiest in the country, an accident free 2010 is quite the accomplishment.

Chicago, IL (Vocus/PRWEB) January 04, 2011 -- Executive Coach of Chicago has awarded seven Driver Safety Awards to charter bus operators who finished 2010 accident free. When you consider that they spend most of their day operating their [charter buses](#) on the busy streets and interstates of Chicago, their accident free record is an amazing feat.

The Driver Safety Awards represent a stellar accomplishment for both the drivers and maintenance crews of the [Chicago charter bus company](#). Passenger safety is of the utmost importance as they charter groups in and around Chicago to various events and sightseeing stops in the Windy City.
