

Professional Sales RV Increases Social Connections with The RV Enthusiasts

Colleyville, TX based Professional Sales RV expands online presence with social media.

Dallas, TX (Vocus/PRWEB) January 05, 2011 -- Professional Sales RV is a family-owned and operated and the largest Newmar motorhome and RV dealer in Texas. They are based in Colleyville, Texas and expanding their online presence through Facebook, Twitter, YouTube and a new blog.

Professional Sales RV is dedicated to providing excellent customer service and the best in quality when it comes to new and used RVs (particularly motorhomes), consignment, full-service department, parts and accessories, and RV storage. Professional Sales RV is looking forward to building connections with individuals who enjoy adventures on the road in an RV.

“We are so excited to increase our social media community and build better relationships with our community online,” said Neal Nelson, General Manager. “We hope that our efforts online will result in a strong community of people who love the RV lifestyle.”

Professional Sales RV is committed to increasing the communication among baby boomers and those approaching retirement age, through their dedicated social media efforts. These efforts include participating in the conversations with their customers, prospects, and enthusiasts in the industry about current online topics.

About Professional Sales RV

Professional Sales RV is a family owned and operated RV dealership located in Colleyville, TX, between Dallas and Fort Worth, just 10 minutes from the DFW airport. They have been in business since 1974 and offer the Newmar line of motorhomes as well as used RV sales and RV consignments. The service department is staffed with factory trained and Master Certified technicians as well as a full fiberglass repair and paint shop. They also offer RV storage and parts. Professional Sales RV is different in that it takes a true family approach. There are no high pressure commissioned sales people, so customers can browse through the RVs at their leisure and the doors of the coaches are always open with the prices clearly marked. The family's philosophy is that purchasing an RV should be a relaxed and enjoyable experience. They go to great effort to educate the consumer and help them choose the RV that truly fits their needs.
