

## **More Car DVRs and Car Cameras Will Be Released By VKcctv.com**

*VKcctv.com has recently announced its new strategy. In the next few months, VKcctv.com will release at least ten new models of car DVRs and car cameras.*

([PRWEB](#)) January 06, 2014 -- VKcctv.com, a professional CCTV accessories manufacturer, has recently announced its new strategy. In the next few months, VKcctv.com will release at least ten new models of car DVRs and car cameras. VKcctv.com is to help people choose the best car DVRs and car cameras before making any buying decisions.

VKcctv.com has updated its website to help customers around the world to buy CCTV products, car DVRs and car cameras in a more economical way, and help them to choose cost-effective products prior to shopping.

The company has been bringing high quality car DVRs and car cameras to its customers for years. Customers can always find what they need on this comprehensive resource.

"We have a great product line that we feel is the best in the industry. Also, we also have a money back guarantee, which provides customers a risk free way of trying out any of our amazing product lines." The CEO of the company states, "Shenzhen is the most important base of China security industry, but also the most important production base in the global security industry."
