

Parkmobile Expands its Offering of Parkmobile Reservation Systems and Downtown Merchant Discount Program to City of Tampa

Parkmobile launched its mobile payments solution in 2013 and is now proud to expand its services to offer reservations for the Tampa Bay Buccaneers

Tampa, Florida ([PRWEB](#)) October 14, 2016 -- Parkmobile, LLC and City of Tampa announced today that Parkmobile will now offer its Parkmobile Reservation Systems for the Tampa Bay Buccaneers at nearby Al Lopez Park. Since, 2013 Parkmobile has been offering its mobile payments solution to all of the on-street parking throughout the City of Tampa and has now made it even easier and more convenient to park or reserve parking in Tampa. In addition, Parkmobile will offer a downtown merchant discount program, which allows participating merchants to validate customers' parking when they use the Parkmobile app to pay for parking on-street—just another benefit of using Parkmobile.

To reserve parking for Tampa Bay Buccaneers games customers may visit <https://tampa.clickandpark.com>. Customers can simply select the game they wish to purchase parking for and follow the instructions. If customers prefer to use the Parkmobile app to pay for parking on-street, they can download the app in their phone's app store for iPhone, Android, or Windows phones. Once registered, customers may use the mobile app, internet, or call a toll free number to pay for parking. After setting up their account, they can immediately begin using the system with their registered mobile phone.

“Parkmobile is honored to expand its offerings to now allow customers to reserve parking, pay for on-street parking, and offering merchants a validation program,” said Jon Ziglar, CEO of Parkmobile. “We are thrilled to partner with the City of Tampa to offer this technology, which enhances the parking experience by eliminating the need of circling blocks or endless driving around in parking garages to find a space. With the Parkmobile Reservations System, it guarantees them a spot, and they can simply park and enjoy their game day experience. We look forward to continuing to work with Tampa to offer drivers a more robust means of parking.”
