

## **IllinoisDrivingRecord.com Launches New User-Friendly Website**

*IllinoisDrivingRecord.com, a leading provider of comprehensive Driving Records, today announced the launch of its new website. The new website was designed to reflect the forward moving momentum of the company within the trucking industry.*

([PRWEB](#)) January 06, 2015 -- IllinoisDrivingRecord.com was established on January 06, 2015 and serves all size businesses, in the trucking and insurance industries. [IllinoisDrivingRecord.com](#) created its website to allow businesses, especially trucking companies to access Illinois driving records and information pertaining to the Illinois trucking industry.

The new website utilizes a horizontal navigation menu that highlights informative pages and imperative information. The user-friendly interface of the website features an engaging carousel on the homepage that rotates through an assortment of images.

According to Todd Mayers, Marketing Manager, “The new Illinois Driving Record website will be one of many state specific driving record websites launched in 2015”.

Companies can now order individual [Illinois driving records](#) direct from the website. Companies that have the need to run more than 5 Illinois Motor Vehicle Records (MVRs) a month can sign up for an online account for instant driving records at discounted rates. Once the account is set up the user can order driving records, not only for the state of Illinois, but for all 50 states and Canada. Trucking companies with Commercial Driver Licensed (CDL) drivers can also access instant FMCSA – Pre-Employment Screening Program (PSP) reports.

Companies will also benefit from the new websites Illinois State trucking industry news, United States Department of Transportation (USDOT) updates and general industry news that may affect companies that have CDL and Non-CDL drivers in their employment fleet.
