Attendees will have their pick of automotive parts, accessories and memorabilia for sale in the swap meet. Or, if you'd rather buy a mint condition classic or late-model vehicle, you'll find a huge selection of those as well.

The 1967 Pontiac GTO project car being restored by local students at Dauphin County Technical School will be on display. The car should be completed and up for sale at the Carlisle All-GM Nationals June 18-20.
