

Avalon Transportation Service Unveils New Website Offering Business Transportation Solutions in California and Texas

Avalon continues to grow and develop new strategies on how to support our clients and partners!

Santa Clara, CA ([PRWEB](#)) December 02, 2015 -- This week Avalon Transportation Service is unveiling their new website at <http://www.DriveAvalon.com>. Avalon provides support for companies and their employees who have extended business stays or relocation.

The new site emphasizes ease and speed of use with a clean design that makes finding information and booking a breeze. The online reservation page asks just a few questions and takes seconds to complete.

Currently Avalon Transportation Service offers transportation solutions in the San Francisco Bay area, Southern California, and Austin Texas. They organize short term auto leasing and auto rental along with an auto purchase program and airport transfers.

Additionally Avalon works with corporate partners who provide housing, relocation, extended stay hotels, travel agency's and destination services.

Customers may use the website to get a single contact agent at Avalon to keep all aspects of their move, stay, or travel organized. The new site offers easy online account access.

For companies that are bringing in staff from overseas (Expats and Relocation) Avalon can help support any relocation needs that you may have in a cost effective and seamless way.

WHAT WE CAN DO FOR YOU...

- Rental/leased cars 1-24 months
- Vehicle delivery and pickup
- Airport transfers (sedans/limousines) meet & greet service
