

Drive a new car when you buy a new home

Quantum Marketing Group, LLC in cooperation with Engel & Völkers Boca Raton to Launch Car Homes Real Estate Sales Promotional Incentive Program (PIP) at the Boca Raton Resort and Club December 18 thru the 20th at its first Luxury Real Estate Showcase and High Performance Car Event.

Boca Raton, Florida ([PRWEB](#)) December 01, 2015 -- CarHomes is a New Patent Pending way to buy and sell homes. It is quite unique by the fact that the home buyer receives a New Vehicle or a Prepaid Lease when they purchase a home. Quantum Marketing Group, with partnered selling brokers, will provide a promotional personal asset related to the sale of real estate.

The program is being launched at the Boca Raton Resort and Club December 18th thru the 20th from 10am to 5pm in conjunction with the Waldorf Astoria's Driving Experience event (guests pay to drive a Ferrari, McLaren and Porsche) in the same location will be a select group of CarHomes partner properties such as the Paramount Fort Lauderdale, the Paramount World Center, Gale Fort Lauderdale, Canvas Miami, Peninsula on the Intracoastal, Parque Towers, Riva, Tower 155 and many more (go to <http://www.carhomes.net> and click on properties). There will also be a static display of NEW high performance cars, Rolls Royce, Ferrari, Maserati, BMW, Lexus, Aston Martin, Bentley just to name a few, similar to some of the vehicles that will be offered at no cost to a buyer of a property in the form of a prepaid lease or delivered outright with the purchase of a condominium or a home (go to [carhomes.net](http://www.carhomes.net) to see all of the available brands and vehicles a buyer might get depending on the property they purchase). What makes CarHomes unique is the use of a certificate program for the value of the vehicle the buyer gets at closing. The certificate is useable the year it is issued or anytime in the future.

Unlike other developer or real estate promotions that offer only one brand vehicle or model car, CarHomes via the certificate system allows several car choices and brand choices and allows a buyer to upgrade or down grade to insure their satisfaction. Should a buyer decide they do not want or need a new vehicle, the buyer, before closing, can choose to convert their certificate to a TreasuresHomes Certificate that can be used at partnered jewelers or home electronic dealers or converted to a BoatHomes Certificate that will be good at any of our partnered boat dealers. From cars to boats to jewelry and home electronics, our turnkey promotional programs are designed to reward the condo or home buyer with an incentive that they really would want and need.

For international buyers, they have the convenience of buying a property knowing a car of their choice will be parked in their spot when they move in! To find out more about the event visit <http://www.carhomes.net> to register to attend or sign up on site.
