

## **New Atlas Van Lines Infographic Shows Best Time to Move**

*Atlas shares move data to illustrate seasonality of moving trends*

Evansville, Ind. ([PRWEB](#)) December 03, 2015 -- Winter, spring, summer, fall . . . what's the best time to move of all?

A new infographic by [Atlas Van Lines](#), the second largest moving company in North America, illustrates why you may want to schedule your next move according to the seasons. The "[Seasonality of Moving](#)" shows the volume of moves that Atlas handled, month-by-month, during 2014. It is a revealing snapshot of the seasonal moving trends that affect consumers year in and year out.

Atlas shares the pros and cons of moving in each season so families can make an informed decision about when to move. The best time of year to move will depend on how a family weighs the relative advantages and disadvantages.

The infographic's simple, colorful design makes it ideal for sharing. It is available for download from the Atlas website: <http://www.atlasvanlines.com/atlas/infographics/seasonality-of-moving>.

There is also an option to share the infographic (410 pixels wide or 600 pixels wide) on a blog or website. Simply copy and paste the supplied code.
