

Alternative Parking for Padres Petco Park

A parking solution to the over-crowded parking Downtown that will be almost as much fun as the games.

San Diego, CA ([PRWEB](#)) February 5, 2004 --San Diego's oldest and most established tour company, San Diego Harbor Excursion will be providing a unique solution to the Padre Petco Park downtown overcrowding parking problem. For baseball fans who are concerned with trying to find parking downtown for the games or those who just don't want to deal with the inevitable traffic congestion, San Diego Harbor Excursion will be providing water shuttle services from Shelter Island at the Shelter Island Municipal Pier located across the street from the Island Plams Hotel (2051 Shelter Island Drive) to the Fifth Ave. Dock at the foot of the Convention Center. The parking at Shelter Island is abundant and best of all free. The trip will take approximately 40 minutes and will serve approximately 180 passengers. The cost of a round trip ticket will be the \$10. A great bargain for anyone who wants a hassle free enjoyment to the Padres season. The shuttle will return 30 minutes after the end of the game.

Softdrinks, wine and beer as well as an assortment of snacks are available onboard. San Diego Harbor Excursion's water shuttle will be a fun and stress free alternative to parking. Passengers will enjoy the beautiful Downtown San Diego skyline. A great way to start off the game!

San Diego Harbor Excursion has been in operation on San Diego Bay since 1915. Star and Crescent Boat Company operates a fleet of motor vessels on San Diego harbor providing one and two hour harbor tours, dinner cruises, special charter cruises and scheduled ferry services. In addition, it operates ancillary businesses which include a cafe, gift shops, and a photo concession, all of which support basic excursion activity.
