([PRWEB](#)) February 6, 2004 --Automotive Maintenance Solutions is now offering franchises all across the southeast. Automotive Maintenance Solutions (AMS) is a young franchise just 2 years old but AMS has been in the automotive service industry for over 40 years. AMS was started by the Sheldrick family to fill the \$70 billion a year in unperformed automotive maintenance market.

The AMS business was started in a small town of 8000 people and the response was overwhelming, with this highly profitable business the average person can have a great future. The Sheldrick's would like for all the people that are thinking that they would like to own their own business,that all AMS franchisees will be our personal goal to make them as successful as they want.

With AMS being a young franchise the larger areas are open to development. This is a great time to get involved and make a great future for yourself. AMS can be contacted at www.amscarcare.com or call 1-866-845-9611
