

Checker Sedan Offers Exclusive Curbside Service at the Luggage Claim Curb at the McNamara Terminal

Customers can request Checker Choice service when making reservations.

Dearborn Heights, Mich. ([PRWEB](#)) January 6, 2009 -- [Checker Sedan](#), the official luxury sedan service of Detroit Metro Airport, today announced its new Checker Choice program that provides customers with the convenience of curbside pick-up at the luggage claim curb of the McNamara Terminal. Curbside pick-up at the McNamara Terminal is a service offered exclusively by Checker Sedan. Tim McCarthy, Checker Sedan's president made the announcement.

"Our clients have become accustomed to the added benefits and first class service that we provide," said Tim McCarthy, president of Checker Sedan. "We are pleased to offer Checker Choice luggage claim curbside service as one more unique advantage."

Checker Choice is available to all Checker Sedan clients. For those who make advance roundtrip reservations, it is a value added service. For one-way trips, there is a nominal fee. Customers can go to the Checker Sedan information booth in the luggage claim area to locate their car and driver.

In addition to the exclusive luggage claim curbside pick-up, Checker Sedan is offering customers a 20 percent discount on the second leg of a round trip to/from Detroit Metro Airport when they make an advance reservation. Checker Sedan also offers Northwest Airlines® WorldPerks® Miles on trips to and from Detroit Metro Airport.

Travelers who do not have checked luggage can continue to go directly to the Ground Transportation Center at McNamara Terminal to get their Checker Sedan vehicle.
